InfoShip®/Vx

**Reliable, High-Speed Shipment
Processing for Enterprise Shippers**

Creative Logistics Solutions InfoShip/Vx solution provides a fast, reliable, high-volume multi-carrier parcel management solution that interfaces with your enterprise applications to provide a seamless shipping process. The InfoShip/Vx solution supports dozens of parcel carriers, both domestic and international, as well as LTL and TL processes for all of your locations worldwide.

Fast, Flexible, Reliable

- Centralized shipping solution to manage multiple locations and channels
- International, domestic, and regional carrier service selection
- Scalable infrastructure that supports hundreds of thousands of shipments per day with dynamic capacity
- Sub-second processing speed for carrier rating, service decisions, label generation, and more

Shipping Industry Experts

- Pre-built integrations into industry-standard ERP, OMS, WMSs
- US-based white-glove customer service available 24/7/365
- 25+ years of experience and hundreds of implementations
- Servicing multiple Fortune 500 companies across several industries
